Opening : An internship program for training AI models for Legal Analysis at XKDR Forum, Mumbai, Maharashtra

XKDR Forum is a Mumbai-based interdisciplinary think tank of researchers working in the fields of legal systems reform, process reengineering in courts, technology policy, public procurement and the land market. In these fields, the organisation engages in academic and policy oriented research, and advocacy.

We are looking for interns from law schools to participate in ongoing research and development programs to train AI models that could help lawyers and litigants make informed choices, develop a legal systems database for the evaluation of the functioning of courts and conduct research to make suggestions for the improvement of court processes.

Our work in this field includes:

1. [Evaluating contract enforcement by courts in India: a litigant's lens](#).

2. [Helping litigants make informed choices in resolving debt disputes](#).

3. [Indian Legal System Reform Seminar: Evaluating Machine Learning and LLM approaches to estimate adjournment rates: an experiment in Bombay courts](#)

More information on our work can be found on https://xkdr.org/field/legal-system

The minimum requirements for this role are:

- Currently enrolled in the 2nd Year or above in an undergraduate degree in Law such as B.A.L.L.B (Hons.)/ B.B.A.L.L.B. (Hons.).
- Currently enrolled in 1st year or above of a graduate degree in Law such as L.L.B..
- Clear communication skills and ability to understand court documents and navigate court websites.
- Ability to use Google Sheets and Google Docs.

Remuneration and Incentives

- Stipend, certificate of completion and recommendation letter subject to performance.
- Opportunity to interact with lawyers with experience working in law firms and practicing in district and High Courts.
- Opportunity to participate in interdisciplinary seminars on AI and the law.

Duration of internship

- We expect prospective interns to commit a minimum of **4 weeks.** If you are able to commit for longer, please mention the same in your application.

Application Procedure

- Please fill out this [google form](#) and upload your CV on the google form.
